Financial Policy Insurance Coverage

Welcome to **The Lumbar Yard**. Your insurance policy is an agreement between you and your insurer, not between your insurer and this clinic. Like all types of care, coverage for chiropractic services varies from insurer to insurer and plan to plan. Most insurance policies require the beneficiary to pay co-insurance, co-payment and/or a deductible. For example: if you have a deductible of \$100, and your insurance pays 80%, you are responsible for 20% of all charges incurred during the year after you have paid your \$100 at the beginning of the year. Our clinic will call your insurer to verify your benefits, however, we are not responsible for your insurer's final payment and benefit determinations.

Payments

In order to help you determine your responsibility toward payment for services, please read the following, and initial your preference for the method of payment of your account. Please notify this office if the status of your insurance changes.

Private Pay: (please initial)

A _____ As I have no insurance, I agree to assume all responsibility and to keep my account current by paying for services when they are rendered.

B _____ I have insurance, but I wish to file my claims personally, and I agree to assume all responsibility and to keep my account current by paying for each visit at the time services are rendered.

Health Insurance: (please initial)

C _____ I would like this clinic to bill my insurance. I understand I am responsible for the costs of treatment.

Missed Appointments

It is the policy of **The Lumbar Yard** to assess a **\$10** missed chiropractic visit fee and a **\$45** missed massage visit fee to patients who cancel appointments with less than a 24-hour notice. One missed visit will not result in the assessment of a fee, but you will be charged for any additional missed visits. This clinic provides care for many individuals and missed visits result in time lost that could have been used to provide care for others.

_____ My initials here indicate that I understand the above missed visit policy.

I understand that all health services rendered to me and charged to me are my personal financial responsibility. I understand and agree to the conditions of this policy.

The Privacy Rule generally requires healthcare providers to take reasonable steps to limit the use or disclosure of, and requests for PHI to the minimum necessary to accomplish the intended purpose. These provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual.

Healthcare entities must keep records of PHI disclosures. Information provided below, if completed properly, will constitute an adequate record.

Note: Uses and disclosures for TPO may be permitted without prior consent in an emergency.
